Members of the Lodge and their families-

I offer my sincere apology for the lack of communication regarding the Lodge Banquet this year. While many of the details were set long before the event I have not made sure that our communication and registration for this event have been accurate and timely. This does not meet the high standards I have for myself or that you have for the Lodge. Nor does it properly reflect the many hours that have been put into preparing this annual event for you.

Communication is an evergreen issue that the Lodge Executive Committee and I are committed to greatly improving. Moving forward you can expect to see much more regular updates from the Lodge via the website, Facebook, and the mail. As we work to improve our communication we want to hear back from you on what works and does not work for you in hearing about the organization the opportunities that are available to arrowmen.

To clear up any remaining ambiguity on the Lodge Banquet,

Q: How much does it cost and why?

A: The cost is \$19 for arrowmen and \$14 for guests. The fees were set at cost for the event with arrowmen fees slightly higher to cover the program costs.

Q: Do I need to bring a side-dish?

A: No. The banquet is fully catered.

Q: What time does the event start and why the change since the first email?

A: Dinner will start at 5:30pm. The original start time was miscommunicated. In order to ensure that our guests can get home at a reasonable hour we start dinner at 5:30pm.

The event will likely end around 8:00pm.

Again, I offer my sincere apology for the lack of communication for this event. For the inconvenience that has occurred I am truly sorry. I do hope that you can join us for this annual event so we can celebrate the past year and look forward to a new year of exciting opportunities together.

Yours in the Spirit of Uncas,

Phillip Misner,
